Environmental Division 901.636.8118

When in doubt, trash it!

HI FRIENDS.

It's October in Memphis, that means cooler weather, colorful trees and Halloween! When it's cooler, we have more cookouts in the back yard and usually will go camping in Shelby Forest. If there's not a burn ban, we can have a campfire and roast hotdogs and marshmallows. One year, we went camping on Halloween night, dressed up and went trick or treating to each campsite then told ghost stories around the fire. It was really spooky and fun!

I also love to take pictures with my phone and when the leaves are changing, the colors make a great photo. Did you know, most of the colors we see on the leaves were there all along, just covered up all spring and summer with green chlorophyll. As the weather changes, the chlorophyll begins to break down, revealing beautiful color pigments. Learn more about the science of leaves changing on page 22.

What are you planning to do this Halloween? If you're looking for some new ideas, check out "11 Trick-or-Treat alternatives for a Fun Halloween at Home" on page 12. Carving pumpkins and having a scavenger hunt are on my list to do this year!

This Ezine is always FREE and made possible by the sponsors and advertisers you see inside these pages. Please let them know you appreciate them by calling them the next time your family is in need of their services.

BE GREEN LIKE ME and remember to throw your candy wrappers in the trash can, not on the ground.
HAPPY FALL!

Peace and Love,
Jabberblabber

Jabberblabber has a purple trick or treat bag hidden in this E-Zine somewhere. See if you can help him find it!

Jabber mail

"Be My Pen Pal" (see page 5), is a popular and regular feature in Jabberblabber E-Zine. Children from all over the Mid-South write letters to Jabberblabber, and he writes EVERYONE back! This fun exercise helps children with letter writing, handwriting and communication skills and gives them an opportunity to send and receive mail through the United States Postal Service (USPS).

Dear Jabberblabber,
 When I get home from school I like to take a nap.
 My favorite thing to eat after school is a cheese stuffed hotdog.
 My best friend at school is Kaitlyn.
 We get along because she likes the same subjects I do.
 Our favorite thing to do is ride my bike.
 My question for you is . . . do you have a favorite subject?
 Sincerely,
 Angel Spark, age 8, Bartlett, TN

Dear Jabberblabber,
 When I get home from school I like to walk my dog.
 My favorite thing to eat after school is peanut butter crackers.
 My best friend at school is Jackie.
 We get along because we both like to play games.
 Our favorite thing to do is play Minecraft.
 My question for you is . . . Can you come see me?
 Sincerely,
 Jannelle Bridge, age 7, Memphis, TN

Dear Jabberblabber,
 When I get home from school I like to bake with my mom.
 My favorite thing to eat after school is anything.
 My best friend at school is Jose.
 We get along because he comes over every day.
 Our favorite thing to do is eat and ride skateboards.
 My question for you is . . . do you have a skateboard?
 Sincerely,
 Raphael Gomez, age 9, Memphis, TN

Dear Jabberblabber,
 When I get home from school I like to do my homework.
 My favorite thing to eat after school is pizza but we never have it.
 My best friend at school is Jamari.
 We get along because he never gets mad at me.
 Our favorite thing to do is play games outside with his dad.
 My question for you is . . . can you send me an extra sticker?
 Sincerely,
 Candice Jones, age 10, Holly Springs, AR

BE MY GREEN PENPAL

Print out the next page, write to me and join my "GREEN LIKE ME" club. I'll write back and send you a sticker & club card with your name on it!

As a club member, you pledge to practice the "10 ways to be green like me" (below)!

10 WAYS YOU CAN BE GREEN LIKE ME!

- 1. Turn it up or down 2 degrees!** Turn your heat down 2 degrees in the winter & your air conditioner up 2 degrees in the summer.
- 2. Turn it off!** When you're the last one to leave the room, ALWAYS turn off the lights!
- 3. Unplug it!** Reduce your home energy bill 10% by unplugging your cell phone charger, TV, stereo, and computer when you're not using them.
- 4. Say NO to plastic bags!** Bring your own bag when you go shopping. Plastic is bad for land & animals!
- 5. Shop Locally!** Support local farmers & local businesses who produce here at home.
- 6. Don't Idle!** If you are going to be parked more than 10 seconds, turn it off! Idling cars produce 25% of all Co2 emissions.
- 7. Recycle!** Cans, bottles, cardboard and plastic. Donate unwanted clothes, toys & furniture.
- 8. Reuse!** Get a washable, reusable and refillable water bottle.
- 9. Conserve Water!** Turn off the faucet while brushing your teeth and take a short shower rather than a bath.
- 10. Can it!** Trash on the ground is unsightly & can end up in our rivers and oceans. Always throw trash in the trash can.

What you need:

- The template on the next page or a piece of paper.
- 2 envelopes
- 2 stamps
- Pen or Pencil

Step 1:

Answer the questions in the template or write me a letter. Then fold it and place it in one of the envelopes.

Step 2:

Address this envelope to me:

Jabberblabber
415 S. Front St #114
Memphis Tn 38103

Place a stamp in the top right corner of the envelope.

Step 3:

Address the other envelope to yourself: Your name your address your zip code. Place a stamp in the top right corner. Fold and place in the other envelope with your letter.

Step 4:

MAIL IT! Place in 'OUTGOING MAIL' box at your home or various locations of the United States Post Office (USPS).

You will receive a reply and a **BE GREEN LIKE ME** bumper sticker in the mail in the next few weeks.

All letters submitted are eligible for copy/reprint in a future issue of Jabberblabber Family E-Zine.

Dear Jabberblabber,

My favorite season is:

My favorite thing to do in Jabberblabber magazine is:

The best thing I've learned reading Jabberblabber is ...

I want to be a _____ when I grow up!

Because:

My question for you is ...

Sincerely,

your name:

your age:

your address:

city, state and zip code:

I pledge to practice the "10 ways to be GREEN"

WIN

a Jabberblabber bookmark, folder, sticker & **2 MALCO MOVIE PASSES**

PRINT, COLOR & SEND in your masterpiece for the random drawing!

1 Grand Prize Winner will appear in the E-Zine, receive a bookmark, folder, sticker, and 2 Malco movie passes!

Runners up will appear in the E-Zine!

Name _____

Address _____

City _____

State _____ Zip _____

Age _____ (No age limit!)

UCOLORIT CONTEST

OCTOBER 2023

PRINT, COLOR & SEND us your masterpiece for the **UCOLORIT** random drawing!

HOW TO HAVE A HEALTHY MOUTH!

1. Brush twice a day with a fluoride toothpaste, last thing at night and on one other occasion

2. Just spit after tooth brushing, rinsing washes the fluoride away!

3. Avoid brushing your teeth straight after eating acidic food or drinks to help prevent enamel erosion

4. Avoid sugary snacks and drinks between meals

5. Visit the dentist regularly

6. Talk to your dentist about the best way to clean between your teeth

DID YOU KNOW?

There are more bacteria in the human mouth than there are people on the Earth.

Brushing alone misses 40% of your tooth surfaces—that's why you need to floss.

The tooth is the only part of the human body that can't heal itself.

Enter the 2023 MLGW

"ELECTROCK!"

Art Contest

Grab your paints, brushes, colored pencils, crayons and even computers, to create the image of MLGW's Power League Superhero, "ElectRock!"

How did little Elon Rocket become Power League Superhero, "ElectRock?"

"Born in Memphis, 'Home of the Blues and Birthplace of Rock'n'roll,' young Elon Rocket was ever impressed by the powerful forces of electronic music and electricity in general. This curiosity prompted Elon to go to college for electrical engineering and electronic music. The discoveries opened Elon's mind widely, to the point of deciding to become an expert in electric generation and distribution, while making music, which eventually turned Elon Rocket into ElectRock! whose mission is to investigate electronic music and teach everyone how electricity is generated and distributed for everyone's comfort and convenience."

That's how little Elon Rocket became Power League Superhero, "ElectRock!"

For 2023, we'd like to have the students create the next MLGW's Power League Superhero, "ElectRock!" whose core mission is to teach how electricity is generated and distributed for everyone's comfort and convenience.

Win a \$125 prize!
Open to all K-12 students

ALL K-12 students attending school or being home-schooled within Shelby County are eligible to participate. For contest rules and entry form, visit mlgw.com/artcontest.

Submission deadline: Friday, December 15, 2023.

For more information, please send an email to gmoulin@mlgw.org.

11 Trick-or-Treat Alternatives for a Fun Halloween at Home

by: By Emily VanSchmus | Better Homes and Gardens

Even though trick-or-treating is back, you don't have to participate if you don't feel comfortable doing so. That might not be a popular decision with the little ones, but fortunately, we've got tons of alternative ideas that are just as fun—and still, involve plenty of candy!

Our biggest recommendation is to keep things as normal as possible: Let the kids decide what they want to be and make a big deal about dressing up on Halloween. Add in one or more of these festive Halloween activities, and they'll be so busy having fun that they won't be thinking about missing the usual festivities.

1. **Have a Virtual Costume Party**
2. **Organize a Halloween Scavenger Hunt**
3. **Hang a Halloween Advent Calendar**
4. **Send Halloween Cards**
5. **Decorate Holiday Cookies**
6. **Carve Pumpkins**
7. **Eat Halloween Candy**
8. **Make Halloween Crafts**
9. **Tell Ghost Stories**
10. **Make Individual Treat Bags**
11. **Host a Candy Hunt**

DOCTOR'S ORDERS

OCTOBER TOPIC:
Managing your child's
fall allergies!

By Daniel Urschel, MD

With chillier nights and mornings, the leaves beginning to change, and shorter days, comes fall allergies. Allergies like ragweed and mold may be more present in the fall, which means so are stuffy noses, itchy eyes and sneezing. Here are a few ways to help your kiddo manage fall allergies:

Keep doors and windows closed. With cooler temperatures it may be tempting to open the screen door and windows, but if your child experiences allergies you want to avoid this as allergens can get through these screens.

Clean vents and air filters in your home. Allergens can get trapped in air filters and vents so cleaning them regularly will help reduce the amount of allergens in the air of your home.

Wear a mask when outside during peak allergen times. Allergens typically peak midday and can be stirred up by wind and rain so know what you're getting into when you're going to be outdoors.

Dust and vacuum regularly. With the kiddos playing outside, it's very easy to bring allergens inside. Use a vacuum with a HEPA filter and vacuum regularly to get rid of allergens. You may consider vacuuming your cloth furniture and curtains as well.

Change clothes immediately after playing outside. Allergens can live on fabric so if your kiddo has been jumping in leaf piles or playing outside, it's best to change clothes when coming in from the outdoors.

If after trying all the tips and tricks above your child is still suffering from allergies, you may want to ask your child's primary care provider about an over-the-counter allergy medicine. If your child is still suffering from bad allergies after taking the allergy medicine regularly for a few weeks, you may need to see a pediatric allergist and immunologist to be tested.

#BeAirAware

Improve Air Quality by remembering the **"COOL 5"**

5 cool ways to reduce ozone in Shelby County:

Share the Ride Carpool, use public transportation, bike, or even walk! It saves money and reduces pollution levels.

Link the Trips When driving, do all of your errands in a row instead of returning home in between. It saves money, gas, and reduces pollution.

Stop at the Click When refueling the gas tank in your car, do not top off after the click. It harms your car and increases pollution levels!

Don't Idle Your Car You can reduce pollution levels by avoiding drive-through lines and shutting your engine off if waiting for more than 30 seconds.

Mow When the Sun is Low Gasoline lawn mowers are much dirtier than automobiles. Mow after 6pm to reduce ozone levels in the summer.

GRANDPARENTS PAGE

Celebrating our senior adults in the prime of their lives!

Grandparent of the Month – Paula Cwikiel

Paula moved to Kirby Pines from her former home in Bartlett. She has two daughters and she is the doting grandmother to four grandchildren and seven great grands.

After graduating from high school in Hayti, Missouri, Paula went to cosmetology school. She had a 40 year career as a hairstylist, working at Carolyn’s Hairstyling and Gould’s Hair Salon.

Paula’s favorite things to do include traveling, camping, reading and vacationing with her family. Paula likes to stay as busy as she can, she is always ready to go somewhere or to help somebody.

Traveling to The Holy Lands was the most memorable trip Paula has made. She has also been to Italy, France, and England.

Spiritual books and mysteries are Paula’s favorite reading material. She loves all music genres and her favorite holidays are Halloween and Christmas.

Congratulations Paula, for being Jabberblabber’s Grandparent of the Month!

Why do leaves change color in the Autumn?

Most of the spectacular colors of autumn have actually been in the leaves all summer, however they were "covered up" by the dominant green of the chlorophyll. As weather cools, and shorter days settle in, the chlorophyll begins to break down, revealing new and varied color pigments. The brightest colors are seen when late summer is dry, and autumn has bright sunny days and cool nights.

White Birch

GREEN - Chlorophyll

Chlorophyll is responsible for helping trees and plants turn sunlight into food. For most months, it is the dominant color seen in most leaves until it fades away. As many trees shut down their food production, they turn to stored sugars to survive the winter.

Swamp Chestnut Oak

RED - Anthocyanin

Unlike other leaf colors that always exist in the leaf, anthocyanins are produced as the chlorophyll is broken down. The anthocyanins are often seen in leaves named for their autumn splash of red including Red Maples, Scarlet Oaks, and Red Sumacs.

Sugar Maple

ORANGE - Carotene

Sugar Maples may be one of the best examples of carotene in action. Their bright signature orange fills many hills and country roads throughout the northern US. Sassafras leaves also turn a slightly more muted orange. As its name implies, Carotenes are also the chemical responsible for giving carrots their unique coloring.

Aspen

YELLOW - Xanthophyll

Xanthophyll can be seen throughout the fall in trees including beeches, ashes, birches, aspens, and some oaks. It also contributes its bright yellow color to autumn squash and corn.

Jabber GENIUS

COLLEGE LEVEL PUZZLES

THESE ARE TOUGH! TRY THEM IF YOU DARE!

Answer on page 33

Complete the grid using all of the digits 1 to 9.

- When completed all of the sums must be correct.
- The sums are solved strictly left to right, up to down.
- The normal order of mathematical operations is ignored.
- For example $2 + 5 \times 9$ is calculated as $(2 + 5) \times 9 = 63$.

	x		÷		=	18
x		-		x		
	+		-		=	2
+		x		x		
	+		x		=	72
=		=		=		
32		49		48		

Say What?

Four cars come to a four way stop, all coming from a different direction.

They can't decide who got there first, so they all go forward at the same time.

They do not crash into each other, but all four cars go.

How is this possible?

October Riddle

What 4-letter word can be written forward, backward or upside down, and can still be read from left to right?

CAN YOU SOLVE THE VISUAL PUZZLES?

Each visual puzzle corresponds with a word or phrase, can you solve them all?

fox, or wolf.

Knowledge is power. Learn the real risks.

You may be surprised to learn what situations put kids at greater risk for sexual abuse. When you take Stewards of Children sexual abuse prevention and response training, you'll learn how to protect kids from abuse.

The Memphis Child Advocacy Center offers Stewards of Children training for parents and adults who work with kids. Contact Kris at kcrim@MemphisCAC.org or 901.888.4363 to schedule training for you or your organization. Visit MemphisCAC.org to learn more.

Upcoming FREE Virtual Sessions:

Saturday, October 21, 9:00 am - 11:30 am

Wednesday, November 1, 12:00 pm - 2:30 pm

Saturday, November 18, 9:00 am - 11:30 am

ANSWERS

Jabber GENIUS

ANSWERS

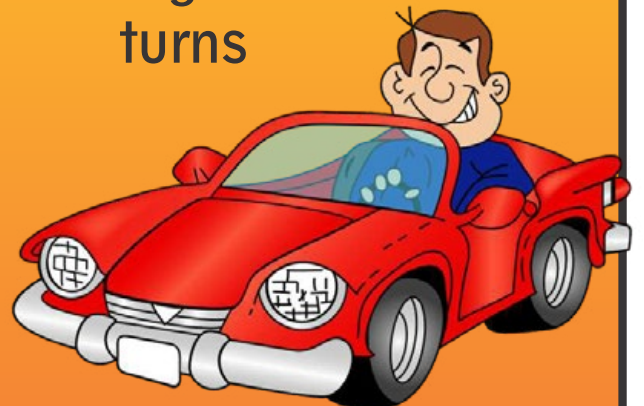

Complete the grid using all of the digits 1 to 9.

- When completed all of the sums must be correct.
- The sums are solved strictly left to right, up to down.
- The normal order of mathematical operations is ignored.
- For example $2 + 5 \times 9$ is calculated as $(2 + 5) \times 9 = 63$.

9	x	8	÷	4	=	18
x		-		x		✓
3	+	1	-	2	=	2
+		x		x		✓
5	+	7	x	6	=	72
=		=		=		✓
32	✓	49	✓	48	✓	✓
